Application No. 09/870,969

Attorney Docket No. AA-018

DECISION REFUSING STATUS

UNDER 37 C.F.R. §1.47(B)

This is a decision on the petition under 37 C.F.R. §1.47(B),¹ filed on 10 September, 2001.

FAX RECEIVED

FEB 26 2002

The petition is **DISMISSED**.

PETITIONS OFFICE

NOTE: Any request for reconsideration of this decision must be submitted within TWO (2) MONTHS from the mail date of this decision. Extensions of time under 37 C.F.R. §1.136(a) are permitted. Any response should be entitled "Request for Reconsideration of Petition Under 37 C.F.R. §1.47(a)" and may include an oath or declaration executed by the inventor.

Failure to respond will result in abandonment of the application.

¹ The regulations at 37 C.F.R. §1.47 provide:

§ 1.47 Filing when an inventor refuses to sign or cannot be reached.

(a) If a joint inventor refuses to join in an application for patent or cannot be found or reached after diligent effort, the application may be made by the other inventor on behalf of himself or herself and the nonsigning inventor. The oath or declaration in such an application must be accompanied by a petition including proof of the pertinent facts, the fee set forth in § 1.17(h), and the last known address of the nonsigning inventor. The nonsigning inventor may subsequently join in the application by filing an oath or declaration complying with § 1.63.

(b) Whenever all of the inventors refuse to execute an application for patent, or cannot be found or reached after diligent effort, a person to whom an inventor has assigned or agreed in writing to assign the invention, or who otherwise shows sufficient proprietary interest in the matter justifying such action, may make application for patent on behalf of and as agent for all the inventors. The oath or declaration in such an application must be accompanied by a petition including proof of the pertinent facts, a showing that such action is necessary to preserve the rights of the parties or to prevent irreparable damage, the fee set forth in § 1.17(h), and the last known address of all of the inventors. An inventor may subsequently join in the application by filing an oath or declaration complying with § 1.63.

(c) The Office will send notice of the filing of the application to all inventors who have not joined in the application at the address(es) provided in the petition under this section, and publish notice of the filing of the application in the *Official Gazette*. The Office may dispense with this notice provision in a continuation or divisional application, if notice regarding the filing of the prior application was given to the nonsigning inventor(s).

Application No. 09/870,969

-2-

BACKGROUND

The record indicates:

- the application was filed on 30 May, 2001, without an oath or declaration executed by the sole inventor, Fiona Walsh;
- accordingly, a Notice to File Missing Parts of Application was mailed on 15 June, 2001, requiring an executed oath or declaration, and a surcharge for the late filing;
- a declaration executed by an officer of Avenue A, Inc. on behalf of the inventor, the surcharge, a one-month extension of time fee, and a petition (and petition fee) were filed on 9 September, 2001.

ANALYSIS

Petitioner has failed to provide:

- proof that Avenue A, Inc., has a proprietary interest in the subject matter of the invention, such as a copy of an assignment and/or employment contract, or other evidence of proprietary interest to justify the filing of the application;²
- proof of the pertinent facts establishing that the inventor was first presented with a copy of the complete application, yet refuses to sign or cannot be found or reached after diligent effort;³
- a declaration in compliance with 37 C.F.R. §1.63, stating the full name, residence, post office address, and citizenship of the non-signing inventor

A copy of the application papers must be sent to the last known address of the non-signing inventor with a request that he/she sign the declaration for the patent application. A forwarding address should be requested. If the

papers are returned, and other attempts to locate the inventor, e.g. through e-mail or the telephone, continue to fail, then applicant will have established that the inventor cannot be reached. Alternatively, an oath or declaration for the patent application in compliance with 37 C.F.R. §§1.63 and 1.64 must be presented. The declaration must set forth the inventor's residence, citizenship and post office address. An oath or declaration in compliance with 37 C.F.R. §§1.63 and 1.64 signed by the Rule 1.47 applicant is required.⁴
